RECITAL TICKET INSTRUCTIONS - Request & Pay For Your Tickets Online!

How Do I Order Tickets?

- Starting at 11:59 pm on Thursday, April 13th, Recital tickets will be available for ordering on our website at www.CentrevilleDance.com. Select the 'Order Recital Tickets' button and it will take you directly to our secure online Recital Ticket Order Form. Just follow the step by step directions and make your payment at the end. You will receive a receipt by email. If you have any questions or problems with the online form, let us know and we'll be happy to help.
- Tickets will be available for pick-up starting June 5th in the CDA Office. For orders placed after June 5th, please allow 3 business days for tickets to be ready for pick-up in the CDA Office. Any tickets not picked up before June 16th will be available at the Recital in the Lobby.
- Tickets will also be available for sale in the Lobby during the Recitals.

How Many Tickets Do I Need?

- There are no minimum or maximum number of tickets that can be ordered. (Online order form can accommodate up to 20 tickets per show). If you want to order more than 20, submit a second order and select "Additional ticket request" under the "Special Requests" section.
- Seats are assigned, so you will need a ticket for each person who requires their own seat; small children sitting on an adult's lap do not require a ticket. For safety, children are not allowed to stand or sit in the aisles and all strollers, infant carriers, etc. cannot be left in an aisle. We are happy to store any of these items in the back of the auditorium.
- We encourage all dancers to stay backstage for the entire Recital; however, if you decide to have your dancer watch part of the Recital with you, they will need their own ticket or sit in your lap.

Special Requests/Restrictions

- Need to add more tickets to your order? Submit a second online order and select "Additional ticket request" section. Want to have other family members order their own tickets? Send them the link and have them select "Additional Ticket Request" and then enter the full name of the "CDA Family Member" that they would like to be seated with in the comment box. Make sure they are specific as we have many families with the same or similar last names.
- Please contact the CDA Office if you need wheelchair accessible seating by May 15th. We do our best to accommodate all special seating requests, but we do need to know as early as possible. All designated wheelchair locations are in the rear of the auditorium only, so many families choose to have their guest moved from their wheelchair, when that is possible, into an aisle seat. If your guest must remain in their wheelchair, we would be happy to seat some or all of your remaining guests in seats that are closer to the stage. Please contact us and we can make arrangements for you and your guests.
- Since all seating is reserved, we cannot guarantee that we will be able to accommodate your special request. However, we always try to take care of as many of our families as possible. CONTACT US EARLY! Once tickets have been pulled and distributed, it becomes very difficult to put additional seats and family members together without moving the entire party further away from the stage.
